For more than a century, we have been shaping progress in our product sector as technology leader – whether it's starter motors, generators, start/stop systems or mild hybridization. Innovation, development expertise and the highest quality standards make us a reliable partner for automotive manufacturers – at 16 locations worldwide.
Our products are not only efficient and durable, but also provide high functional flexibility and the right answers for global product platforms and more stringent CO_2 requirements.

Professional Internship | IT Engineering

Join our Great Place to Work for shaping the future of mobility. And yours.

You are there when we work together to shape the future of mobility! Become part of our interdisciplinary, international team at the location in Vila do Conde, Portugal. SEG Automotive Portugal, Unipessoal Lda. is the SEG group's Shared Service Center.

How your future looks like with us

- Provide **1st and 2nd level support** for IT-related issues.
- Develop **automation scripts** to improve system efficiency.
- Assist in **server administration** (Windows & Linux).
- Support various **IT engineering tasks** as needed.

What you bring with you for a future with us

- Degree Informatics or similar areas.
- No more than 1 year of working experience.
- Knowledge in Python, PowerShell or Bash.
- Basic knowledge of Windows and Linux administration is a plus.
- Fluent command of the English language is required.
- Soft skills: ability to work under pressure; team player; good cross-functional communicator; flexibility; logic thinking and analysis abilities; positive attitude.

What we will offer you in the future

- The opportunity to work in a **Great Place to Work**, with a lot of innovation, scope for design, and responsibility. This is supported by attractive additional benefits, such as flexible working hours and a hybrid working model.

Please send us your CV and tell us why you want to join SEG Automotive Portugal
